AMERICAN COUNCIL OF ENGINEERING COMPANIES  
of South Carolina

**2016-2017  
American Council of Engineering  
Companies of South Carolina  
Annual Planning Retreat**

**March 4-6, 2016  
Charleston Harbor Resort & Marina  
Mount Pleasant, SC**

***“Our focus for the 2016-2017 year will be about growing and diversifying our membership. Currently, we have over 83 member firms in our organization. A large number of these firms work primarily within the transportation industry. In order to continue to grow and diversify our organization, we need to be proactive in educating all firms employing engineers in the state of South Carolina about the benefits of joining ACEC, both at the national and state level. This year’s Retreat will be about how we can reach out to other firms to grow and diversify our membership. Do you have your ACEC Elevator Speech ready? Better get one!”***

***Rick Fauteux – ACEC-SC Vice Chair & ACEC Membership Committee***

Mr. Fauteux is leading the planning sessions as he sets next year’s direction for ACEC-SC.

You can help build on this year’s successes by participating in the 2016 Retreat at the Charleston Harbor Resort & Marina, March 4-6, 2016.

Your input in this process is vital. ACEC-SC is your organization; it needs your input, your participation and your leadership.
